

# Harbor Lodge Ground Breaking

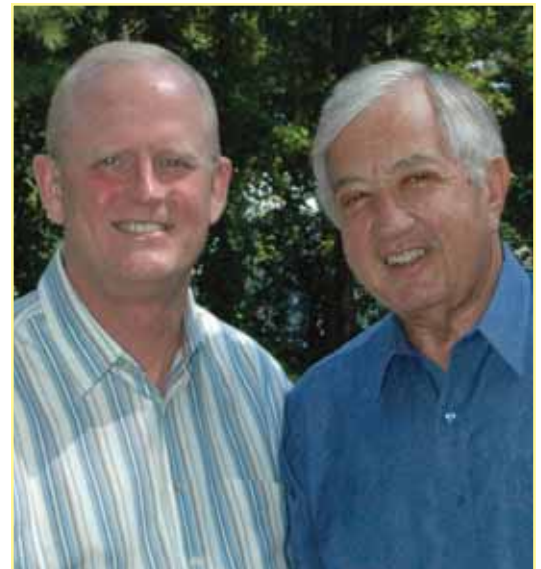

Alfa President Jerry Newby (right) presents Ben Russell (center), Children's Harbor Board Chairman and Co-Founder, and Jim Ray (left), Executive Director, with the anchor leadership gift for the Harbor Lodge. The other anchor leadership gift, the property on which the lodge will be located, was given by Ben and Luanne Russell.

Families are the focus of the new Children's Harbor Lodge being built on the Lake Martin Campus and scheduled for completion in May 2007. At the ground breaking ceremony, Tim Head (left) and Kara Bishop (right) spoke about the therapeutic benefits they and their families experience when they attend family camps at Children's Harbor.

The exciting moment finally arrived when we "broke ground" for the new Children's Harbor Lodge. Pictured left to right are Jerry Newby, Marzette Fisher, Luanne Russell, Ben Russell, and Erin Gregg.

Alfa President Jerry Newby (left) and retired Alfa executive Bill Oswalt (right) team up again to celebrate the new lodge.
