### GIVING BACK BASS TOURNAMENT REELS IN SUPPORT FOR CHILDREN'S HARBOR

BIRMINGHAM, AL—On April 22nd, Golden Construction partnered with H&M Mechanical to put on the second annual Giving Back Bass Tournament at Logan Lake Martin benefiting Children's Harbor. Through tournament entries and tremendous sponsors, the companies were pleased to present Children's Harbor with over \$16,000. It was a great day of fishing, and many seriously ill children will be helped through their time of need with this generous donation.

The money raised from this event will go towards supporting Children's Harbor's programs and services that provide counseling, education, recreation, respite, and other supportive services at no charge during and after hospitalization for seriously ill children and their families.
